

DECEMBER 2006

Greetings family and friends from Monte Cristi! Grace and peace be yours in abundance through the knowledge of God and of Jesus our Lord. We trust your Christmas was joyful and that your time with family and friends was filled with blessings. Chris and I are well.

December is a time of reflection. Many times the events of the previous year can bring to light the hand of God in your life. It is true for us. As Chris and I take time to reflect on the things that God has done in our ministry this past year, we are in awe of His grace and mercy and we are encouraged by His faithfulness and provision. During this past year we have been inspired to reach for the higher things of God and we have been tested. We have been stretched and in that process we have grown and our faith has become stronger. We have walked through experiences that we never believed we could walk through and learned many lessons along the way. There were times we cried and times when we just didn't know what to do. But one thing was certain, we knew that God would never leave us or forsake us. It is His presence that made things sure for us and we learned to trust Him more than ever. Now, it's almost 2007 and we are looking ahead to the new year with great anticipation and tenacious faith. The vision is clear and we believe that our work here has just begun. Now is the time to focus on the things at hand.

Currently, the plans that we started for the leadership/discipleship institute and the City Church for Kids are on hold. We believe that in order for us to move forward in these areas, we must first acquire the property that we are now leasing for City of Light Christian Preschool and City On A Hill, Inc. ministry office. In our original agreement with the owner of the property we have until September 2007 to raise \$40,000 and buy the property. We are beginning to network and are certain that God will raise up the people needed to accomplish this goal. We are praying and believing God that everything will come about in His timing. **We are asking that you continue to pray in faith and stand in agreement with us that the funds to buy this property are already ours in the spiritual realm and that it will be manifested in His time, in His way.** Please pray for God to open doors of opportunity in this area as we take steps of faith. Praise and thank Him for the money now, calling those things that be not as though they were. (*Romans 4:17b*). We will have a testimony that brings all the glory to our Father. Amen!

Paul writes to the saints in Philippi - Let your forbearing spirit be known to all men. The Lord is near. Be anxious for nothing, but in everything by prayer and supplication with thanksgiving let your requests be made known to God. And the peace of God, which surpasses all comprehension, shall guard your hearts and your minds in Christ Jesus. Finally, brethren, whatever is true, whatever is honorable, whatever is right, whatever is pure, whatever is lovely, whatever is of good repute, if there is any excellence and if anything worthy of praise, let your mind dwell on these things. 4:5-8:

We are so grateful for all of you that support us both financially and through prayer. Thank you. We know that we could never do this alone. You are all in our prayers!
